Alcohol: 14.6%, TA 6.4, pH 3.32

Bottling date: August 23, 2022

Release date: February 11, 2023

Release price: \$45.00

The 2021 Cuvée Charlotte was blended to include our most aromatic white wines. Viognier has a heavier nectarine and tangerine influence, while Sémillon carries a lighter citrus and Sauvignon Blanc has a lovely iris and honeysuckle aroma. The weather in 2021 was normal with a few hot spells. While quality was high, the 2021 season was characterized by a small crop.

Winemaker Alison Doran's tasting notes:

The 2021 Cuvée Charlotte is woven together like fabric with aromas of citrus, stone fruit, tropical fruit, jasmine, orange blossom, and iris. The palate offers a deep viscous honeyed character with satiny texture. The wine finishes layered, balanced and complex – a gorgeous expression of the grapes!
