The 2022 Cuvée Charlotte includes our most aromatic white wines. Blended with Ryan and Nicole's daughter Charlotte in mind, the many fragrant flowers and fruity characters echo her many talents and interests (see if you can find the hidden horse on the label). Viognier has a rich nectarine and tangerine influence, while Semillon carries a lighter citrus, and Sauvignon Blanc has a lovely iris and honeysuckle aroma. Muscats have a lovely floaty appeal that creates a smile every time.

Winemaker Alison Doran's tasting notes:

The 2022 Cuvée Charlotte is a bouquet in a bottle showing aromas of lemon blossom, honeysuckle, iris, chamomile, and rose scents. The palate has a bold entry with flavors of lychee and grapefruit. The wine finishes layered, with big viscosity from the Semillon, but is kept lively by the acidity – a gorgeous expression of the grapes!
