The 2024 Cuvée Charlotte includes our most rich and aromatic white wines. Blended with Ryan and Nicole's daughter Charlotte in mind, the many fragrant flowers and fruity characters echo her many talents and interests (see if you can find the hidden horse on the label)! Viognier has a rich nectarine and tangerine influence, while Semillon carries lighter citrus notes, and Sauvignon Blanc has a lovely iris and honeysuckle aroma. Muscats have a lovely floaty appeal that draw a smile every time.

### **Winemaker Kari Auringer's tasting notes:**

The 2024 Cuvée Charlotte is as juicy and refreshing as you might expect, with a lush core of tropical fruit. The finish is full of fresh fruit flavors, a hint of vanilla and a bit of citrus leaves. Summertime in a glass!
