Of all the complex and powerful wines that we craft, the Double Barrel blend is the culmination of months of trial blends, and lots of trial and error. Just because we search out and determine our very favorite individual barrels, it doesn't mean they are going to play well together in this blend. Eventually, we find the perfect pair of barrels.

### **Winemaker Kari Auringer's tasting notes:**

The outstanding 2023 vintage helped make this wine the concentrated and generous wine that it is. Once again, we found the complex Cabernet Sauvignon from the Baker Vineyard on Atlas Peak as a strong partner, blended with the Cabernet Sauvignon from Windy Flats vineyard. This vintage also embraces a tiny percentage (1%) of the charming Baker Vineyard Malbec, contributing luscious notes of plum and black cherry. In its youth this is an exuberant full-bodied wine, bursting with layers of ripe summer fruit. The finish lingers with supple tannins and hints of toasty vanilla.
