Vineyards: Various in Southern Napa Valley

Appellation: Napa Valley

Elevation: Valley Floor and Hillsides

Cooperage: 10 months in French oak barrels

Alcohol: 14.63%, TA 0.72, pH 3.47

The 2006 Hill Family Estate “Carly’s Cuvee” Chardonnay is a blend of Chardonnay grapes from select vineyards located in the southern end of the Napa Valley, including some from steep slopes in the Atlas Peak area. Each of the vineyards make great wines, however, the resulting blend is greater than its parts – a really exciting wine.

Winemaker Alison Doran’s Tasting notes:

This wine is made in a non-malolactic style, with a lovely nose of butterscotch and pineapple fruit. The palate is bright and lively with clean citrusy flavors and ripe pineapple filling the mid-palate. The finish is very clean and lingers without being bitter.
